

# 2010 Saint Louis Microfest Homebrew Competition

## Rules and Entry Information

### A. ELIGIBILITY AND CATEGORIES

1. Anyone may enter beers (no meads or ciders will be accepted).
2. Entries must be referred to by BJCP Category NUMBER and Subcategory LETTER. Download the style guidelines from <http://www.bjcp.org> for category designations and descriptions. The BJCP categories will be grouped into five over all categories (Microfest Summer Brew, Light Lager, Dark Lager, Light Ale, and Dark Ale) by the competition organizers.
3. Commercially brewed beers are ineligible.

### B. AWARDS AND PRIZES

Medals will be given to the 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> place winners in the five overall categories. A \$25 cash prize will be given to the 1<sup>st</sup> place finishers in each of the five categories. Also, a prize will be awarded to the top ranked beginner (brewing less than two years). Winners will be announced at the Saturday afternoon session of the Saint Louis Microfest on May 1, 2010. Your score sheets will be mailed to your postal address or hand delivered at one of the local homebrew club meetings. All winners will be notified. Score sheets and judge's comments will be returned to all entrants.

### C. HOW TO ENTER, WHAT TO ENTER

1. Registration will begin March 1, 2010. We prefer that you register online at <http://stlbrews.homebrewcomp.com>. The paper registration form will still be accepted, but using it is discouraged. NOTE TO NEW BREWERS: For those using the online registration, please indicate you are a "New Brewer" in the "Special Comments" section for EACH of your entries.
2. Entry Fees: \$7.00 for each entry. All checks should be made payable to the Saint Louis Brews. Any entries not accompanied by an entry fee will not be judged.
3. Entry requirements: Provide TWO BOTTLES for each entry. Bottles must be 10- to 12-ounce green or brown glass and clean and free of any labels (inked, paper, or otherwise). Bottles with permanent, painted-on labels are prohibited. Entrants are encouraged to use brown, long-neck returnable bottles for extra protection from light and breakage. NOTE: Grolsch-type swing tops are not acceptable. Soft drink or other printed crown caps are acceptable if they are blacked-out with a black marking pen to assure anonymity in judging.

Attach the bottle label created by the online registration system to each bottle with a rubber band. For paper registrations, please attach a bottle label that indicates your name, BJCP category,

BJCP subcategory, and beer name. Those using the paper registration will also need to include the registration form. The use of tape or glue to attach forms is not acceptable.

4. Beers from a single batch may be entered in multiple Categories. Multiple entries in a Category are acceptable but **MUST** be from different batches.

5. A recipe does not need to be submitted with the entry. However, entries in 16E, 21A, 22B, 22C, and 23 require additional information to be judged properly. Please provide this information in the “Special Comments” section of the online registration or on the “Base Beer/Special Ingredients” line for the paper registration form.
